

SAT, MAY 18 - SAT, MAY 25, 2024

Tie on your sneakers & help hearts in need during

THE HEARTBROTHERS 2ND ANNUAL VIRTUAL 5K RUN/WALK

Our 7-day event provides a convenient, healthy, and exciting opportunity for the greater Heart Failure community to unite in supporting **Heart Failure patients in need.**

Our virtual event format and short 5k (3.1m) distance make participation easy for everyone—regardless of athletic ability or geographic location—to participate. Complete the distance anywhere you choose over the 7 days.

Round up your friends and family, register to walk/run, kickstart your fundraising, fire up your favorite fitness app, track your distance, and share the excitement of "crossing the finish line" with our virtual audience!
